No flight operations are permitted unless the RED RANGE FLAG is flying. The airspace is considered “HOT” when the flag is raised.

- **Airboss will approve all take-offs and landings!**
- All event participants (on foot or on vehicle) must remain clear of the active runway and at all times unless first cleared by the Air Boss.
- No flights are permitted over the McMillan Airfield cantonment area including all people and buildings.
- Emergencies: In any emergency requiring medical attention immediately contact the JIFX Air Boss via Radio (“JIFX” or “AIR” channels) or via phone. Phone numbers will be provided to you on the back side of your name badge.
- All UAV operators must attend the daily fliers meeting (Tuesday – Thursday)

Pre-Mishap Plan

The PMP established procedures that will assist personnel immediately following a mishap

“In case of a mishap, or any unintended impact with the ground or another vehicle, the flying unit will immediately notify the Air Boss via Radio or phone.”

Additional Safety Items

- Lots of Wildlife! Stay alert
- Dry, Desert-Like Heat
- Emergency Phone Numbers are available on the back of all participant badges
